

Affordable Financing Options

Yes! You can afford to purchase a FLIPR[®], FLIPR^{TETRA}[®] or FLIPR[®] Penta instrument.

Through our financing partners, qualified Black Dog customers can lease a quality refurbished FLIPR[®] or FLIPR^{TETRA}[®] instrument for an affordable monthly payment. *Black Dog does not make a profit on your leasing program.* Our goal is to provide you financing options, so that you can afford the tools and technologies you need to advance your research. If you're interested in getting a leasing quote, we will put you in touch with our qualified leasing partners to get multiple quotes.

Following is an example of typical lease payment schedule for a customer in good credit standing; payments may be less/more depending on credit rating. Applicable sales tax, shipping, installation, and/or extended warranty can be included in the final leasing agreement, if desired. Leasing terms are subject to credit approval. A one-time documentation fee of approximately \$375 will be invoiced with the first payment.
